Family Renewal
INITIATIVE

SUCCESSFUL EASTER PROJECT!!!

Thank you to our FRI family and supporters!

Thanks to you we were able to make and provide 50 Easter baskets to children in our community that are not affiliated with the

church. These baskets included an age appropriate Bible for each child and many small gifts that highlight the greatest gift of all! We are thankful to share the Gospel through this project and make our presence known in our community.

HELP OUR FAMILY TREE GROW!!!

WHAT IS OUR FAMILY TREE?

These are friends that have committed to support our mission monthly to bring the Gospel to families in our community. While there are several ways to support our mission, regular financial giving helps our staff and volunteers plan to meet the needs of the families that are in crisis and come to us for help.

WHAT DO MONTHLY GIFTS ACHIEVE?

Your gifts meet the unique needs of our community and change lives and families. Here are some examples:

1. FRI provided groceries for a single mom and her children after the loss of income for the family due to a death in the family. We also assisted the mom in finding her first salary job which gave her and her family renewed hope. Six months later she and her family are still thriving in their own home.

2. Another family was experiencing homelessness and were about to be removed from their hotel room due to lowered working hours for the father of the family. With the help of our FRI family, the family of six were able to remain in a hotel rather than being forced out into the cold. Now, they continue to work with FRI volunteers and staff as they await an approved shelter through partnering community resources.

3. Another family has been through many challenges and needed the love, support, and understanding of our brothers and sisters in Christ.
Through your financial support, we prevented them from becoming homeless, while providing necessary items such as clothes, furniture, and also comfort in knowing that our Christian community is here for them.

WHAT'S NEXT?

We are looking to grow our Family Tree in order to plan well,
while supporting the large increase in referrals that have come to us, such as single mothers facing isolation and fear of losing their children. Many of

these mothers have faced domestic violence and have felt forced into sinful means of meeting their needs. We want to wrap our FRI family around these mothers and share God's love for all of us. With your monthly giving, we can meet the immediate needs (diapers, formula, clothes, bottles, food) and provide Family Coaching that teaches young mothers how a life centered on God is a life changing experience full of hope and love. Please consider helping us by signing up as a member of our Family Tree today! Every contribution gets us to a family in need.
